

THE BEST NEW PUZZLE GAME OF ALL TIME!

Tetradict: One who devotes or surrenders oneself to Tetris habitually or excessively.

All the fast paced action and strategy of the original game plus new 3D graphics, wobble blocks, breakaway bricks and special gravity effects, all set to a pumping soundtrack.

The TNT ranking system automatically handicaps players according to their ability, so now you can find out once and for all who really is the best!

- Multiple play modes, including Classic Tetris and The Next Tetris

- New "breakaway" and "sticky" Tetris blocks

- Special visual and gravity effects
